Dear Sir:

In response to the Restriction Requirement dated August 7, 2003, (paper No. 6), Applicant respectfully submits the following to be filed in the above-identified application.

The Examiner has requested an election of a single disclosed species, including an election of a single sub-species to be examined along with the elected species. The Examiner has identified the species as follows:

- Invention I as containing claims 22-24;
- Invention II as containing claims 25-29, and 40;
- Invention III as containing claims 30-39; and
- Invention IV as containing claims 41-42

Applicants hereby elect without traverse Invention III. Accordingly, Applicants withdraw Inventions I, II, and IV from consideration in the present case, although reserving the right to prosecute these claims in a separate application at such time as may be appropriate, and as within Applicants' rights.

Inasmuch as the Examiner provided only the above-identified divisions of the claims, and provided no arguments allowing or rejecting any of the above-identified claims, Applicants respectfully submit that present response is a complete reply to the Examiner's Office Action of August 7, 2003. *See MPEP* § 818.

If any remaining issues may be resolved through a telephone interview, the Examiner is invited to contact the undersigned attorney.

Dated this 5th day of September, 2003.

Respectfully submitted,
